

Price attachment to Tariff No. 1/2026

for services provided by Bulk Cargo - Port Szczecin Sp. z o.o.

1. Fee for the acceptance / return of a wagon from / to a railway undertaking:

PLN 6.00 / wagon - The fee applies to the technical acceptance and return of the wagon at the delivery and collection points specified in the Work Regulations of the Railway Siding.

2. Additional fee related to the winter maintenance of railway infrastructure:

in the period from December 1 to March 31, all wagons serviced by BC-PS will be charged an additional fee in the amount of PLN 8.00 / wagon in order to cover additional expenses for the maintenance of the railway infrastructure and siding operation. The fee will be calculated together with the fee for the acceptance / return of the wagon on a monthly basis.

3. Charges for weighing transport units:

Cars:

- Taring with weighing PLN 40.00/set

Wagons:

- Taring without tractor BC-PS PLN 70.00/wagon
- Weighing without a tractor BC-PS PLN 95.00/wagon
- Taring with the BC-PS tractor PLN 145.00/wagon
- Weighing with the BC-PS tractor PLN 190.00/wagon

4. Price list of dunnage materials in PLN:

Due to large fluctuations in the prices of dunnage materials, the prices of dunnage timber are to be agreed each time with the department of the BCPS Chief Dispatcher (GD BCPS)

- Non-debarked board GD BCPS
- Debarked board 25 GD BCPS
- Soft barked squares GD BCPS
- Hard barked logs / beech, oak / GD BCPS
- Pine logs GD BCPS
- Wooden wedges 4.50 / pc.
- Wooden spacers 9.40 / pc.
- Signode tape 23.00 / kg

- Buckle for Signode tape 5.400 / pc.
- Woven polyester tape 8.00 / m
- Woven belt clip 21.00 / each.
- Steel nails 24.00 / kg

Wood after chemical or thermal fumigation - additionally PLN 450.00 / m³. Demand for fumigated wood - notification at least 14 days before the date of the service.

5. Fees for the rental of equipment and devices at BC-PS with the operator:

For each started hour:

- Stationary cranes PLN 850.00
- Mobile cranes PLN 700.00
- Stacker from 2.5 to 12 tons of capacity PLN 415.00
- Stacker from 12 to 30 tons of capacity PLN 550.00
- Loader up to 2.5 tons of capacity PLN 420.00
- Tractor unit PLN 420.00
- Charger over 2.5 tons of capacity PLN 550.00
- Bulldozer PLN 700.00

Working time of these units is counted from departure to return to the parking place, including service breaks. The rates given are valid on working days.

6. Charges per man-hour of BC-PS employees:

For each started hour:

- Worker PLN 130.00
- Equipment operator, crane operator, PLN 220.00
- Foreman, ship owner, freight forwarder PLN 270.00
- A welder with equipment PLN 360.00

The rates given are valid on working days.

7. Bonuses for work on non-working days and public holidays:

- on Saturday, the allowance is 50% of the base rate;
- on Sundays and public holidays (excluding public holidays) the supplement is 75% of the base rate;
- on ceremonial holidays, the allowance is 150% of the base rate.

The allowance for work on non-working days and public holidays is calculated from 10.00 p.m. on the day preceding the holiday or from 2 p.m. on 24 and 31 December to 10.00 p.m. on a non-working or public holiday, which is at the same time, the beginning of the shift on the first working day following the non-working day.

8. Additional fee for night shift work:

- the allowance is 15% of the base rate.

The night shift is from 22:00 to 06:00. BC-PS adds a night supplement to the basic tariff rates, unless the parties have agreed otherwise in other contracts.

9. Additional fees for difficult cargo handling from hard-to-reach rooms:

- the allowance is 35% of the base rate.

BC-PS reserves the right to settle the costs of work of equipment and workers in man-hours in a situation where the difficulties occurring during the implementation of the accepted order were not foreseeable before starting the work.

10. Allowances for the service of ships of classes other than "A" trimmer for bulk and box shaped cargoes for unit cargoes:

- addition of 30% of the base rate for servicing of "B" trim class ships for bulk cargo;
- supplement for servicing of trim class ships other than "A or B" for bulk cargo to be operatively agreed;
- if the handling technology for unit loads from ships other than box shaped ships requires manipulation of the cargo with additional hardware units in the ship's hold, an additional 25% of the base rate is added.

11. Charge for the disposal of post-dashboard on ships with a cargo of cellulose:

The lump-sum fee for the disposal of paper and paper-like waste (stowage material) is obligatorily PLN 250.00 / ship - ships up to 6,000 tons. Charge for ships over 6000 tons - to be agreed.

12. Fees for surveillance services:

The fee for ship supervision expressed in PLN is collected depending on the ship's capacity (V) for each commenced hour of the ship's stay, calculated according to the formula: $V/10 * 2,90 * 0.02$.

The ship surveillance fee is charged in the following cases:

- ships not commissioned for unloading / loading at BC-PS;
- ships entering BC-PS for an agreed stopover prior to unloading / loading;
- ships staying at the berth for more than 4 hours after unloading / loading is completed.

13. Fees for mooring services:

For the service of mooring or unberthing the vessel, fees are charged in PLN - depending on the vessel's capacity (V) - in accordance with the table of fees no. 1 (calculated according to the formula - Tariff units * 2,90).

The following supplement applies for the mooring service performed on non-working days and public holidays:

- Saturday - 80% of the rate from the working day;
- Sundays and public holidays - 100% of the rate from the working day;
- ceremonial holidays - 150% of the rate from the working day.

For the waiting time of the ordered lines, which exceeds 1 hour, for each next started hour, an additional fee of 25% of the basic rate is collected. For the canceled mooring service, after the arrival of the berths at the ship, a supplement is charged, as for the waiting time over 1 hour.

Table No. 1. Fees for mooring services at the BC-PS quays
